Oil, Gas and Mining

Dear Mr. Dykman, SHPO  
and  
Mr. Bhayani, DWQ

We are in receipt of a new notice from Kyle Kimmerle for uranium, vanadium, located in SW1/4, Section 25, Township 31 South, Range 24 East, San Juan County, Utah.

The UTM's show 654,574 East 4,213,320 N.

The project is located on an existing mine site.

I have scanned in the notice and attached it.

We appreciate your timely review of this project.

If you have any questions or concerns, please contact Paul Baker at 538-5261 as the lead inspector for this project.
